Palladium as Overseas Agents to ACORN (Anguilla Commercial Online Registration Network)

What is ACORN ?

ACORN is a state of the art companies registry system based in Anguilla.

It allows Ordinary Companies, International Business Companies, Limited Liability Companies and Limited Partnerships to be incorporated and registered in Anguilla electronically through the Internet.

Companies can be incorporated by Palladium instantly 24 hours a day, 365 days a year from anywhere in the world.

In addition to company registrations, ACORN also enables all other corporate registration activities, which are either required or permitted under the appropriate company legislation, to be undertaken online. The system is available to ACORN overseas agents such as Palladium Corporate Services LLP.

Regulation

Palladium is required to be registered with the Financial Services Department of the Government of Anguilla in order to access and use ACORN.
